This creative initiative encourages students to showcase their artistic talents and school spirit by creating a unique kit design that represents their school and love for football. The competition aims to inspire young girls to get active and engage with the sport while celebrating the upcoming Women's Euros, fostering a sense of pride and excitement for the game.

The winning design will be created and presented to the school by end of the academic year.

To enter the competition, download the template [here](#) and send your designs to [cyp@activeessex.org](mailto:cyp@activeessex.org) by **7th April**.
