Safety on the Playground

May we please remind you that children of any age should **not** be riding scooters or bicycles on the school playground at the beginning and end of the school day. The playground gets very congested at these times and we have had several near misses with children riding into other people. Also please do not allow the children to stand on the throne or benches. This has caused the throne to become wobbly and there is a chip on the bench, we don't want any more damage.

We would also ask you for your own safety, and for the safety of drivers entering and exiting via the Chapel Road gate, that you only walk in the marked pedestrian area alongside the fence.

Thank you for your co-operation with this.

Coffee Morning - Young Carers

On Thursday 24th April, 9am - 10am, we will be having a speaker from Essex Youth Services presenting information about Young Carers during a coffee morning in our school hall.

Here is some information about Young Carers:

Young carers are children and young people under 18 years old who provide regular and on-going care to another person who is physically or mentally ill, disabled or misuses substances. Many young people don't see themselves as carers and may not realise there is practical and emotional support available in Essex.

You may be a young carer if you:

- care for a family member, because of illness, disability or old age
- help someone with bathing or dressing, going to the toilet or getting into/out of bed
- need to cook for your family
- look after money or organise the family budget
- help anyone to take medication regularly
- collect prescriptions or benefits on behalf of someone else or go shopping for the family
- look after brothers or sisters, by taking them to school, doing their laundry, or cooking their meals
- take care of housework, such as dusting, hoovering, washing or ironing
- speak on behalf of someone who has difficulty speaking or communicating for themselves
- translate or interpret for someone at home

The coffee morning will be informal and an opportunity to learn more about the support that can be provided to Young Carers.

Please let Mr Godwin know if you would like to attend.
