

Meal Menu choices

As previously mentioned, we would be gradually be moving away from Scopay and over to Arbor. From January 2025 you will now be able to book and pay for your child/ren's meals on Arbor.

Please see below instructions on how to do this via the parent portal and the parent app

On the Parent Portal

From the main Parent Portal page, click **Quick Actions** and select **Meals**.

You'll be taken to the **Meal Choices** page, where you will be presented with a list of Meals that have available menus to choose from. You can see past meals by using the Academic Year drop-down menu.

Click on a meal.

You can then see the **Meal Choices** page:

- You can see your child's meal account balance at the top - if this balance is negative it will be highlighted in red.
- You can top up the balance via card payment using the **Top up account** button. You can see more about topping up here: [Topping up the meal account](#)

On the page you can see all future dates you can select a meal for:

- **Deadline passed** - the deadline your school has set to make a meal choice has passed and cannot be edited by you. Your child's teacher can amend their choice while taking the register, or you can contact your school if you'd like to change what meal your child is going to have.
- **School holiday - no choices available**. Your school has set this day as a non-school day. Please contact your school (please do not contact Arbor) if this is incorrect.
- **No choices made** - click to select the meal your child will have.
- **Meal Choice** - you've set a meal choice already, but you can click it to change your choice.
