IMPORTANT NEWS HOMEBASE CAR PARK

Homebase Stanway will cease trading on the 27th January. Their car park will no longer be available for parents to use.

Parents can continue to use the car park this week (20th -24th January), but should remember that a stay over 90 minutes will result in a fine and that cars should be parked away from the goods entrance - this is particularly important this week as there will be numerous lorries visiting the store in its final days of trading.

We would like to remind you that you can park at the Stanway Community Centre (please use the spaces outside Tollgate Hall, which is behind the Main Community Centre Building) for drop-off and pick-up.

We hope that once a new store is in place at the Homebase building, we will be able to use the car park once again.

Until then, **please park safely and considerately if parking on the roads near school and keep our neighbours' driveways clear.**

YEAR 6 WW1 Aviation Simulator Day - Thursday 23rd January

On Thursday, Year 6 are very excited to have a visit from the WW1 Aviation Heritage Trust in order to learn about the challenges that early aviators overcame, and to find out about different career paths available in aviation 100 years later, including: pilot, engineer, systems operator, manager, air controller. During the day, the children will all get a chance to fly in a WW1 simulator using a VR Programme mounted on a flight simulator of 1915 design. They will complete a quiz on the life of the amazing pilot who designed the simulator which will finish with a drawing competition. They will also be challenged to write their own poem about WW1 on seeded paper, to be flown to Northern France and dropped at suitable sites for their French counterparts to collect, read, plant them and send their own back.

Attendance

Well done to 3 Morpurgo who had the best attendance last week at 99.7%!
