Walk to School Week

Next week, on the 19th-23rd May is our Walk to School Week, and we are joining other schools across the UK for the annual walking celebration. This year's theme is 'The Great Space Walk' and pupils will be taking part in 5 themed days, which takes pupils on a journey to learn about the social, health and environmental benefits of walking. The children's progress will be tracked on a classroom chart and they will earn stickers each day by walking or wheeling to school. If they can't walk or wheel then they can still participate in the day by doing a Park and Stride and walking for part of their school journey. Let's get walking and wheeling!

Attendance

Well done to 6 Rowling who had the best attendance last week at 97.9%!

SCHOOL GOVERNOR VACANCY

Do you know anyone who has been thinking lately about how they could give something back to the young people in their local area? The Governors at Stanway Primary School would like to invite members of our surrounding communities to apply to join our Governing Body, and if you know of anyone who may be interested, please do pass the following information on to them...

We are a friendly and aspirational school aiming to give every child the best education and start in life. You would be joining a well established, friendly board who are focused on keeping our pupils at the heart of all our decisions.

Governors make up one of the largest volunteer forces across the country and play an extremely important role in schools. Effective governance is crucial in maintaining the quality of leadership and management, and student attainment. Whilst Governance can be challenging, it is extremely rewarding!

We are looking to recruit a co-opted governor who needs to be passionate about the education of young people or perhaps is looking for a way to give back to the community. You do not need experience in education or be linked to the school in any way - in fact we hugely value diversity of thought and experience outside of an education setting.

We would love to hear from anyone who may be interested in hearing more about this opportunity. Please contact Hannah Sargeant, Chair of Governors or Rebecca Loader, our Headteacher at Stanway Primary School through the school office admin@stanway-pri.essex.sch.uk or 01206 574819.

For more information on the role governors play in schools, please refer to this link from Essex County Council:
