## **“Timewalk” fundraiser**

Well done everyone who took part in the “Timewalk” we raised an amazing £2475.

Thank you for your support

## **Parent Collection Consent Forms**

Thank you to those parents that have already completed this form.

This is for part of our annual update to pupil records. For those who haven't we would be grateful if you could complete the form by clicking on the link below as soon as possible to enable us to update the Arbor ready for September.

<https://forms.office.com/e/vptHUzEAqX>

## **Parent Views Survey**

For those parents that haven't yet completed the Parent Views Survey, please use the following link to complete <https://forms.office.com/e/iYvr0yZ9gv>

The Survey will close at the end of Tuesday 15th July.

## **Author Visit**

Ian Hornett is coming in to visit Year 5 and 6 again on Thursday and Friday. He will be doing a 100 word story workshop, with a focus on developing editing and improving skills. This will be a fun activity for Year 6, but will really help Year 5 in preparation for next year. He will be bringing some books in to sell again - these will be £5 each. He would also like to find out what the children thought of the ones that they previously bought.

## **Key Stage One Reading Books**

KS1 have sorted out our reading scheme books and have some available to take home for reading. It would be a shame for these to go to waste, so help yourself! These will be placed under the shelter, next to the lost property after school this week for you to have a browse.

## **Zebra Crossing - London Road**

A new School Crossing Patrol Officer has been recruited for the London Road Crossing and On-site training will be starting on from Monday 14th July.

## **Clubs**

Please note that all Clubs finish this week.

**What is an  
e-scooter?**

# The rules

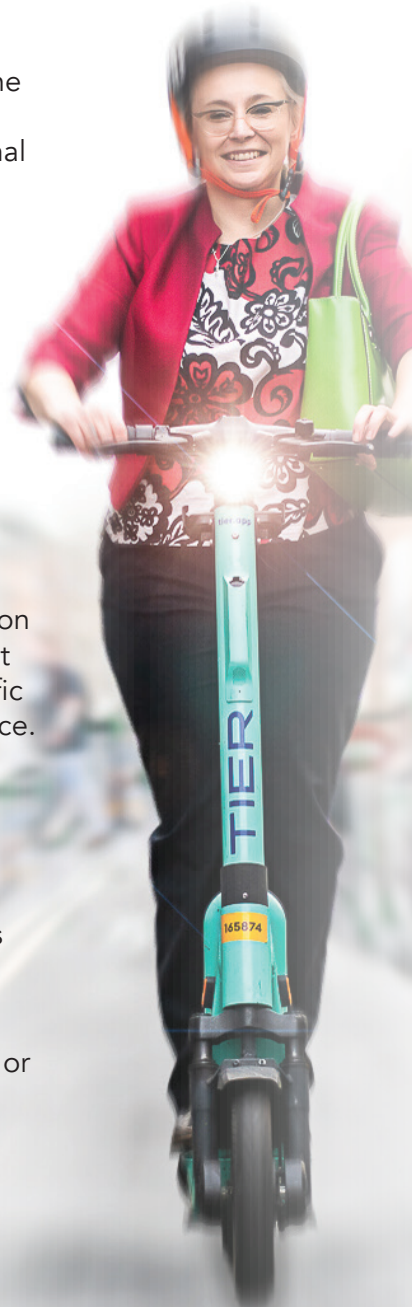

Electrically powered scooters are classed as a mechanically propelled vehicle, which means the same rules apply to e-scooters as other motor vehicles. These rules also apply to other personal electric transporters, with the exception of mobility scooters. Electric scooters are treated the same as any other motorised vehicle, this means they must have MOT, Vehicle Excise Duty ("tax") and insurance.

In order to obtain an MOT and insurance to be used legally in public, an e-scooter must be approved by the Vehicle Certification Agency for its construction and use for transport on the public highway.

No such approval exists for privately owned e-scooters. If you are using a private e-scooter on public roads, or footways, the police can seize it and you could be liable for prosecution for traffic offences, and even receive points on your licence.

## Risks include:

- Lack of maintenance affecting braking and tyre performance.
- Charging of devices in the home introduces fire risk, especially if batteries have become damaged or wet.
- Scooters can easily over balance on bumps or holes due to their small wheels.
- Handling can be unpredictable, especially when reacting to hazards.
- There can be a temptation to ride while intoxicated or distracted.

# Renting

A number of rental schemes have been set up in towns and cities in the UK, including Basildon, Chelmsford, Braintree and Colchester in Essex. These schemes allow people to use rented e-scooters legally.

## To use these schemes, you must:

- Be aged 18 or over.
- Hold a UK driving licence.
- Only ride on roads and cycle-paths within the hire scheme areas, pavement riding is not permitted.
- Not carry passengers or allow others to use a scooter you have hired. Wearing a helmet is highly recommended, and riders have the same responsibility to obey traffic laws as anyone driving a car.

**E-scooters are motor vehicles, so must not be used by children.**
