## **Keeping Our Children Safe Around Schools – A Message from Essex Police**

Every day, hundreds of families travel to and from schools across the Colchester district. Unfortunately, we continue to see dangerous parking and driving behaviours at drop-off and pick-up times, including:

- Parking on or near junctions
- Stopping on marked areas by school entrances
- Mounting pavements
- Performing unsafe manoeuvres where children are crossing

These actions put children and families at risk. Please help us keep everyone safe by following the Highway Code and parking considerately.

### **What can you do if you witness dangerous driving or parking?**

Essex Police's **Safer Roads "Extra Eyes"** initiative allows you to submit dashcam or video footage of dangerous behaviour. This helps us take action and improve safety.

### **In an emergency**

If you believe there is an immediate danger to life or a serious incident occurring, **always call 999**. For non-emergency situations, you can report concerns online or by calling 101. We encourage schools to share this information in newsletters and remind parents that safety is everyone's responsibility. Together, we can prevent accidents and make the school run safer for all.

Thank you for your support.
